Bright Path Networks (fictional) - Information Security and POPIA Policy

Purpose

This policy sets out how Bright Path Networks protects client information and personal information.

We process personal information in line with the Protection of Personal Information Act (POPIA).

Responsibilities

Information Officer: Boitumelo Shabalala (fictional).

Every staff member signs a confidentiality undertaking before accessing client systems.

Controls

Access to client systems uses named accounts with multi-factor authentication.

Client data is stored only on encrypted company devices or client-approved systems.

Security incidents are reported to the client within 72 hours.

Personal information is deleted or returned when a contract ends.

Review

Effective date: 2026-04-01.

Next review date: 2027-04-01.

This company and every person and client named in this document are fictional.
